When your student is not feeling well please keep them home. Children who have vomited or had diarrhea in the past 24 hours should not be at school. Students with severe coughs and sore throats should remain at home. Those with temperatures that exceed 100.0 will be excluded from school and should remain at home until fever free for 24 hours without the use of fever reducing medication. If you are concerned about symptoms your child is having please contact your family doctor. Thank you for your help in keeping our school healthy by only sending your kids to school when they are.

Thank you,
