All Menus are subject to change.

dates to Remember

No school Nov. 24- Nov. 26 for Thanksgiving Break.

Thanksgiving Break
No School

A Note from the Principal and the Gothenburg Police Department

We ask that you please use the crosswalk in front of the school between 13th and 14th and Avenue G (by the stop light). DO NOT cross the street at the corner of 14th and Avenue G (by the north parking lot). A few years ago we did a traffic study and learned that in order to keep our students and families safe, individuals MUST cross at the crosswalk only. The corner of 14th and Avenue G is NOT designated as a safe place to cross the street as there are too many variables with turning and crossing vehicles. Vehicles will be watching for students to cross the street at the crosswalk and not at the corner of 14th and Avenue G. Thank you for staying safe!

Progress Reports for students in grades 3-6 will be sent home on Tuesday, November 23.

Wednesday, December 1 will be a 2:30 dismissal.

Our lost and found is overflowing!!! Items left after Tuesday, November 23 will be donated.

Please encourage your child to look through everything before they leave for break.

We would also like to remind all drivers to be mindful of school buses when traveling out in the community. When a school bus is stopped and children are loading or unloading, both the "stop arm" will extend and the flashing red lights will activate.

A school bus activates yellow flashing lights when it is about to stop to load or unload children. When the bus comes to a stop, the yellow lights will turn to red flashing lights and the stop arm will deploy. When the stop arm is deployed, this indicates all traffic to stop (whether traveling the same direction or in the opposite direction of the school bus). Normal traffic flow CANNOT continue until the stop arm retracts and the flashing red lights have been deactivated.

Please note that a stop arm is not a "normal" stop sign and traffic cannot move until the stop arm is retracted. We ask your help in ensuring our children are safe loading and unloading buses throughout our community.

Our Mission Statement:

Gothenburg Public schools is the cornerstone of a proud, passionate and progressive community where students and staff thrive in a positive and innovative environment. We ensure the growth of all individuals by inspiring them to own and maximize their potential.
