Parking/Unloading: Please have your bus driver drop off your team in the loading zone on the south side of the new gym by entrance 20. An administrator will meet your team at the entrance and take them to their locker room. After the team has been dropped off your driver can park the bus in the visitor bus parking lane on the north side of the new gym. This will be right behind the locker rooms and we will let them in through the back door.

Officials: Officials for the games will be Neal and Kathy Carson of Ord.

Team Bench: Ord will be on the north team bench and Gothenburg will be on the south team bench for the first game. Broken Bow will be on the north team bench and Gothenburg will be on the south team bench for the second game. Ord will be on the north team bench and Broken Bow on the south team bench for the third game. Teams on the north team bench will be home on the scoreboard. As per recommendations this year, teams will not switch benches between sets. I will have a cooler of Powerade with cups for each bench. We will have hand sanitizer on the head table for use by coaches, team members, and officials. Bench personnel should wear masks (student managers, etc.). Warm up for the games will be as follows: A 16-minutes warm-up before the first and second games and an 11 minute warm up before the third game. The warm-up period shall be divided as follows:

Rosters: Please send a current roster to Orilla Orent (oorent@ordps.org) so she can get a program put together for the game. If you have not already done so.

Concessions: A concession stand will be available in the new commons area. Please ask fans to maintain social distancing when visiting the concession stand. We also require wearing a face mask when visiting the concession stand.

Admission: Adults and Students--\$3.00. We will accept your faculty passes and conference passes. Also, if you have senior citizen passes that you give to patrons, we will accept them as well.

COVID 19 Protocols: Currently the Loup Basin Health District is in phase 4. This means that we are at 75% capacity in our indoor facilities. With seating for 1,600 fans, we should not exceed that percentage. We require that masks be worn for the duration of the event. We will have disposable masks available at the ticket stands for fans that do not bring a mask with them. We ask that fans use hand sanitizer when entering the building. We are mask required at this point so we can continue to have the kids be able to play the rest of the season and we can keep school in session. All fans will enter through entrance 19 only. This is the entrance on the southeast corner of the new gym. Gothenburg and Broken Bow fans will be seated on the east side of the gym and Ord fans will be seated on the West side. We would also like to have parents and their children remain in their seats during the game and leave only to use the restroom or visit the concession stand. Please maintain social distancing when visiting the concession stand and the rest rooms and we require that you wear a mask. Also, we ask that fans only use the water fountains to refill water bottles from the filling stations. At the conclusion of the game, please have your team exit the gym and go to their locker room to shower and change. We are also asking that fans exit at the end of the game so our custodial staff can clean and sanitize the gym in a timely manner. We will not allow teams to have a team meal in the school. If parents want to bring a meal for their team, they will need to bring grab and go style meals and the team will need to eat them on the bus on the way home. **If the health of our local community dictates that we need to change any of the protocols, I will notify your school in advance. If your school has any change in their current status and will be unable to attend, please notify me as soon as possible. (I have also included our fall activities protocol for more information in case I forgot it in this message)**
