

Dear K-2 Parents:

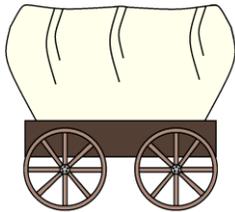

Our Spring Program is scheduled for Friday, April 27<sup>th</sup> with “Make Your Own Kind of Music” as this year’s theme. I am writing this note to let you know about costume possibilities for your K-2 son or daughter. If you can come up with a great costume, wonderful! **If you are having trouble doing so, feel free to have them wear blue jeans and hopefully some type of buttoned shirt, or western style shirt.** I would assume a search on the internet will also give you ideas.

**K-1: (Pioneers) (watching Little House on the Prairie might give you ideas)**

Boys: Jeans, overalls, or plain-colored trousers with white shirt, flannel shirt, or long-sleeved Henley shirts; plain-colored vests are okay, as are kerchiefs at the neck, suspenders, etc.

Girls: Centennial dresses with bonnets would be WONDERFUL! If not, long skirts and blouses would also be wonderful. Pigtails, ribbons in the hair, shawls would be fine, etc.

**I am also in need of several kid’s wagons that we could use to make “covered” wagons and would need them at school for a couple weeks before the program. If you have one available, please let me know!**

**2<sup>nd</sup> Grade: (Cowboys & Cowgirls) (Cowboy hats for everyone if you can find or borrow one!)**

Boys: Jeans with white or colored buttoned shirts would work great. Kerchief at the neck if you’d like, chaps or vests are also fine. Cowboy boots are a plus!

Girls: Jeans or jean skirts with blouses and kerchiefs around the neck. Cowboy boots are also absolutely fine.

I will say again that you are welcome to come up with as simple or elaborate of costume as you’d like. I do not want to put undo pressure on you! However, I do think it makes it special for the students when they get to wear a costume for the spring program.

If you have any questions, feel free to email or call!

Sincerely,

Ernest Blecha
